

SAMPLE FUNDRAISING LETTER

Below is a sample letter you can personalize to ask for support and donations from family and friends. Make it personal and share your excitement!

Dear Friends and Family,

I have been offered a once in a lifetime opportunity to travel to Rwanda and Uganda this summer with Pipeline Worldwide. Pipeline Worldwide is a nonprofit organization based in Phoenix, Arizona, that strives to connect people in need with worthy projects in East Africa. Current projects include drilling wells for communities that have never had access to clean drinking water, construction of dorms and schools, agriculture, education and medical-related activities.

During my travels, I will be working on the following projects:

- Purchasing and delivering household items for 15 women in the Katanga Slum.
- Participating in a water well dedication in a village that has never had access to clean drinking water.
- Purchasing and delivering food for Lacor Hospital Cancer Ward patients in Gulu, Uganda

I am excited about traveling to Africa and helping people. These experiences will help me gain valuable world perspective before I leave for the University of Arizona in the fall. I would greatly appreciate any donation that you might be willing to make to this trip, and I look forward to sharing my experiences with each of you when I return.

You can make a tax deductible donation directly towards my trip by going to this link _____ or mail a check to:
